ATTENDANCE This event draws nearly 200 participants from Virginia's aquaculture industry, the aquaculture research community and government agencies. This is the 6th event of its kind and the 3rd at this location. Attendance has grown at each event and has remained at greater than 50% industry participation.

INDUSTRY Virginia has a diverse culture industry including a large molluscan bivalve shellfish industry, marine and freshwater finfish industries, and a freshwater prawn industry.

TRADE SHOW The trade show is the central meeting place at this event ; maximizing exhibitor and sponsor exposure. All breaks, meals and Friday night gala reception are located in the trade show area;. Exhibit spaces are typically around the perimeter of the room with food and seating in the center. Given this set-up, exhibit capacity is 30 spaces.
